Welcome to the St. Charles County Association of REALTORS® (SCCAR) Diversity Committee's "Money, Housing, and Diversity" program.

This multi-event program provides education and awareness to over 1300 REALTORS® and Affiliates, and current / potential homeowners in the St. Charles County Community.

Our goal is to provide REALTORS® and the St. Charles County Community with information regarding housing assistance, grants, funding assistance, and counseling. *Did you know some of the local municipalities have loan/grant programs to assist with purchasing a home? Did you know there is money to assist veterans, seniors, first time buyers and low income families? Did you know there is assistance for homeowners behind in mortgage payments or needing to make home repairs?* Our events provide REALTORS® and the Community with information regarding these programs – Who can apply? Where to find them? What are qualifications? When are they available?
